Why subscribe and read

- To get current information on the research in public health
- High quality publishing, available in both forms, electronic and printed
- Articles abstracted by online indexing services and databases

Why submit

Polish Journal of Public Health is a scientific journal addressing issues of broadly understood public health presented in the form of peer-reviewed original, review and editorial articles. The Journal welcomes both fundamental and applied work, as well as improvement initiatives, opinions and debates to encourage new thinking in the related fields.

Similarity Check Plagiarism Screening System

The editorial board is participating in a growing community of Similarity Check System's users in order to ensure that the content published is original and trustworthy. Similarity Check is a medium that allows for comprehensive manuscripts screening, aimed to eliminate plagiarism and provide a high standard and quality peer-review process.

Detailed description of the Similarity Check System can be found at: https://www.crossref.org/services/similarity-check/
