

Approaches to the dictionary

To find out whether a pattern is used
with a word and what it means

Start with the patterns
indicating
which *patterns* there are

leading to the
examples

leading to the
*notes with information on meaning
and collocational range*

To use a word
in a particular sense

Start with the note block
giving information on
the meaning and the collocational range of a word

referring to the
pattern block and the phrasal verbs

leading to the
examples
