GUEST EDITORS

International Joint Science Congress of Materials and Polymers (ISCMP), which is organized with the aim of sharing scientific developments related to materials science and technology with a wide range of stakeholders, has been held regularly every year since 2017. Following the first ISCMP (Ohrid, Macedonia) in 2017, the continuation of the congress was carried out successfully in Durres, Albania (ISCMP 2018), Pristina, Kosovo (ISCMP 2019), and Tetovo, Macedonia (ISCMP 2020).

The 5th of the congress (ISCMP 2021), hosted by Burdur Mehmet Akif Ersoy University in cooperation with the Chemists Society (Turkey), Canakkale Onsekiz Mart University (Turkey), Turkish Cooperation and Coordination Agency (TIKA), University of Tetovo (North Macedonia), University of Prishtina (Kosovo), Society of Chemists and Technologist of Macedonia, Materials Research Society of Macedonia, Tunisian Chemical Society and The Chemical Society of Pakistan, was performed in Burdur, Turkey.

The 5th International Joint Science Congress of Materials and Polymers, which was held in Burdur Mehmet Akif Ersoy University, Burdur, Turkey between 29 September to October 1, 2021. The congress included all areas of material science and technology including different related fields (e.g. chemistry, energy, food science and technology).

HOW TO SUBMIT

The authors are kindly invited to register at our paper processing system and submit their contribution (both original papers or reviews are welcome) using a special track established for this special issue (Section/Category – "**Special Issue on ISCMP 2021**").

All manuscripts will undergo the standard peer-review process (single-blind, at least two independent reviewers) and will be treated in the same way as other regular articles (indexing, abstracting, immediate publication, etc.). Instructions for authors are available here.

In case of any questions please contact Open Chemistry Managing Editor:
