

ICMRN 2024

**11th International Conference on
Materials Research and Nanotechnology**

July 01-02, 2024 | Kuala Lumpur, Malaysia

11th International Conference on Materials Research and Nanotechnology

1.07.2024 – 2.07.2024 Kuala Lumpur, Malaysia

ICMRN-2024 meeting serves as an international arena for the assessment and dissemination of current and emerging Materials Science and Nanotechnology research. The experts and industry partners will get a terrific networking opportunity. ICMRN-2024 will re-unite over 100 experts from the world's finest research and professional institutes to discuss not only their expertise, but also their discoveries in the field.

More information: <https://spectusconferences.com/materials-research-conference/>

The authors, who attended the conference are kindly invited to register at [our paper processing system](#) and submit their contribution using a special track: Section/Category – " **ICMRN-2024**".

All manuscripts will undergo the standard peer-review process (single-blind, at least two independent reviewers) and will be treated in the same way as other regular articles (indexing, abstracting, immediate publication, etc.). Instructions for authors are available [here](#).

In case of any questions please contact Open Chemistry Managing Editor:
Małgorzata Komadowska (openchemistry@degruyter.com).
