

SPECIAL ISSUE

TEN YEARS OF DEPENDENCE MODELING

GUEST EDITORS

Carole Bernard Alfred Müller Giovanni Puccetti Ludger Rüschendorf Steven Vanduffel

DESCRIPTION

This special issue will celebrate the 10th anniversary of the Journal *Dependence Modeling* (officially launched in April 2013), and will be linked to the 8th edition of the Workshop

“Recent Developments in Dependence Modeling with Applications in Finance, Insurance and Pensions” that will take place on the island of Agistri, Greece, September 11-13, 2023.

Survey papers in a specific subfield of dependence (e.g., pair copula construction, spatial dependence, systemic risk, dependence models in finance, hydrology, reliability, life insurance, mass transportation, etc.) illustrating the developments in the last 10 years are encouraged.

HOW TO SUBMIT

All submissions to the special issue must be made electronically at <http://www.editorialmanager.com/depmod/> and will undergo the standard peer review process. When submitting your paper please choose **“SI: 10 years of Dependence Modeling”**

The deadline for the submissions is **September 30, 2023**, but individual papers will be reviewed and published online on an [ongoing basis](#).

Contributors to this Special Issue will benefit from:

- No article publication fees
- No Copyright constraints
- Unlimited and free Open Access for all readers
- Fair and constructive peer review provided by experts in the field
- Fast online publication of articles
- Free language assistance for authors from non-English speaking regions

We are looking forward to your submission. If you have any question, please contact us at demo.editorial@degruyter.com
