INTERNATIONAL CONFERENCE ON MULTIDISCIPLINARY RESEARCH – AGRARIAN SCIENCES

01-02.07.2021, VISEU, PORTUGAL

DESCRIPTION

The Polytechnic Institute of Viseu invites you to participate in the International Conference on Multidisciplinary Research (CMR), which will take place in Viseu, Portugal, from 1st to 2nd July 2021. The conference has four major scientific domains (Education, Technologies, Health, and Agrarian Sciences). In what concerns the Agrarian Sciences, the conference covers the following thematic areas: Sustainable Agriculture, Animal Science, Environment & Society, Food Science & Technology, Nutrition & Eating behaviours.

HOW TO SUBMIT

The authors are kindly invited to submit their contribution via online submission system Editorial Manager available at <http://www.editorialmanager.com/opag/> and choose Section '**Special Issue on the International Conference on Multidisciplinary Research – Agrarian Sciences**' while submitting their work.

All articles should be submitted in English. All papers will go through the Open Agriculture high standards, quick and comprehensive peer-review procedure and will be published continuously. Before submission the authors should carefully read over the **Instruction for Authors**.

If you have any questions, please contact Alicja Pawlak (Open Agriculture Managing Editor) at Alicja.Pawlak@degruyter.com

Authors publishing in Open Agriculture enjoy the following benefits:

- ▶ transparent, comprehensive and fast peer review
- ▶ efficient route to fast-track publication and full advantage of De Gruyter's e-technology
- ▶ secure archiving by De Gruyter and the independent archiving service Portico
- ▶ no submission charges
- ▶ worldwide distribution and promotion of articles
- ▶ comprehensive abstracting & indexing e.g. SCOPUS and Web of Science
- ▶ unrestricted access for all readers
- ▶ immediate publication upon completing the publishing process.
