

ECONOMICS OF INSTITUTIONS

GUEST EDITOR

Dr. Mohamed Sami Ben Ali, College of Business and Economics, Qatar University, Qatar

DESCRIPTION

Open Economics is a peer-reviewed Open Access journal, devoted to the publication of original research in all fields of Economics.

This topical issue aims to gather new research on different aspects of economics of institutions. Institutions are tackled from a purely economic angle. The special issue will publish empirical studies on the impact, determinants, and causes of different institutional frameworks from an economic side.

SCOPE

The scope of this Topical Issue includes, but is not limited to, the following areas of research:

- ▶ Economics of Democracy
- ▶ Economics of Corruption
- ▶ Economics of Governance
- ▶ Underground Economics
- ▶ Press freedom
- ▶ Informal Economics
- ▶ Economic freedom
- ▶ Political regimes and Economics

HOW TO SUBMIT

Authors are kindly invited to submit their contribution via online submission system Editorial Manager available at www.editorialmanager.com/economics

Please remember about choosing **correct article category – TI: Economics of Institutions** to ensure that it will be processed with the highest priority. You can find it in the "General Information" tab during the article submission.

Before completing their manuscript, authors should carefully read over the journal's [Instruction for Authors](#). Additional information can be found in our [Editorial Policy](#).

In case of any questions please contact the Managing Editor of Open Economics, **Konrad Sarzyński** konrad.sarzyński@degruyter.com.

TIMELINE

Deadline for article submission: **June 30, 2021** via journal submission system www.editorialmanager.com/economics.

Planned publication: December 2021 (articles will be published upon being accepted on an ongoing basis).
