

UNIVERSAL BASIC INCOME

GUEST EDITOR

Dr. Soomi Lee, College of Business and Public Management, University of La Verne, US

DESCRIPTION

Open Economics is a peer-reviewed Open Access journal, devoted to the publication of original research in all fields of Economics.

This **topical issue** aims to gather analyses and reviews that enhance the understanding of the basic income. Original theoretical and empirical research papers that make clear contributions to the field are especially welcome.

SCOPE

The scope of this Topical Issue includes, but is not limited to, the following areas of research:

- ▶ Basic income in different political systems
- ▶ Social security and welfare state in the era of digital economy
- ▶ Politics of basic income
- ▶ Public opinion on basic income
- ▶ Basic income in the changing labor market with artificial intelligence and automation
- ▶ Basic income and the welfare state reform in developed countries
- ▶ Basic income in developing countries

HOW TO SUBMIT

Authors are kindly invited to submit their contribution via online submission system Editorial Manager available at www.editorialmanager.com/economics

Please remember about choosing **correct article category – TI: Basic Income** to ensure that it will be processed with the highest priority.

Before completing their manuscript, authors should carefully read over the journal's [Instruction for Authors](#). Additional information can be found in our [Editorial Policy](#).

In case of any questions please contact the Managing Editor of Open Economics, **Konrad Sarzyński** konrad.sarzyński@degruyter.com.

TIMELINE

Deadline for article submission: **June 30, 2020** via journal submission system www.editorialmanager.com/economics.

Planned publication: December 2020 (articles will be published upon being accepted on an ongoing basis).
