## DESCRIPTION

---

Open Linguistics invites manuscripts for the Special Issue: Modification in Functional Discourse Grammar

## HOW TO SUBMIT

---

The authors are kindly invited to submit their contribution via the online submission system Editorial Manager available at:

<https://www.editorialmanager.com/opli/default.aspx>

Please select the Category "**SI on modification in FDG**" to ensure that the manuscript is processed by the Guest Editors.

It is important that authors include a cover letter with their manuscript. The cover letter should explicitly state that the manuscript (or one with substantially the same content, by any of the authors) has not been previously published in any language anywhere and that it is not under simultaneous consideration or in press by another journal.

The texts should be between 10,000-12,000 words, excluding references.

Before submission the authors should carefully read over the Instructions for Authors, which are located at:

[https://www.degruyter.com/publication/journal\\_key/OPLI/downloadAsset/OPLI\\_Instructions%20for%20Authors.pdf](https://www.degruyter.com/publication/journal_key/OPLI/downloadAsset/OPLI_Instructions%20for%20Authors.pdf)

Submission of a manuscript does not necessarily imply approval for its publication in this Open Linguistics special issue. The manuscript will be subjected to a peer review procedure managed by our esteemed Guest Editors and its acceptance will depend on this assessment.

We are looking forward to your submission up to **15 Jan 2022**. If you have any questions, please contact Dr. Thomas Schwaiger ([thomas.schwaiger@uni-graz.at](mailto:thomas.schwaiger@uni-graz.at)) or Katarzyna Inga Michalak [katarzyna.michalak@degruyter.com](mailto:katarzyna.michalak@degruyter.com).
