Call for Submissions

*Pleura and Peritoneum* – Theme Issue

**Translational Research in Peritoneal Diseases**

The Editor-in-Chief, Prof. Mark Reymond, and the Guest Editor Dr. Laurent Villeneuve are pleased to announce a special thematic issue of the journal *Pleura and Peritoneum* on **Translational Research in Peritoneal Diseases**. The submission deadline is **May 31, 2022**.

The *Pleura and Peritoneum* theme issue on **Translational Research in Peritoneal Diseases** will reports on:

- the process of applying discoveries generated during research in the laboratory, and in preclinical studies, to the development of trials and studies in humans
- the potential of preliminary human investigations for advancing our understanding of the biology of peritoneal diseases or illuminating a novel therapeutic principle
- research aimed at enhancing the adoption of best practices in the community
- the potential of public health research for application to the clinic, peritoneal diseases prevention, or healthcare policy.

**Key publication details:**

- Submission deadline: **May 31, 2022**
- On-line first publication: **2-3 weeks after acceptance**
- Issue compiled and printed: **September 2022**

See website of the *Pleura and Peritoneum* ([www.degruyter.com/view/j/pp](http://www.degruyter.com/view/j/pp)) for:

- Author Information (with article types)
- Submission process: [http://mc.manuscriptcentral.com/pap](http://mc.manuscriptcentral.com/pap)

Prospective authors are asked to notify the issue editor of their intent to submit an article:

Dr. Laurent Villeneuve, Hôpital Lyon Sud, Pierre-Benite, France, laurent.villeneuve@chu-lyon.fr

Please reference “Translational Research in Peritoneal Diseases” in your cover letter.

All manuscripts will undergo the standard *Pleura and Peritoneum* editorial and peer review process, and acceptance for publication will be subject to the outcome of peer review.

For any general questions, please contact the editorial office ([pap.editorial@degruyter.com](mailto:pap.editorial@degruyter.com)).
