

## REVIEW OF MARKETING SCIENCE (ROMS)

### LANGUAGE EDITING

All manuscripts must be written in proper English (either British or American standard, but not the mixture of both). If you have reasons to doubt your proficiency with respect to spelling, grammar, etc. (e.g., because English is not your native language), then you may wish to employ—at your expense—the services of a professional language editor.

Please get in touch with the Language Editors directly to discuss details.
