

Dear Colleague,

We are preparing topical issue to be published in Acta Geophysica

<http://www.degruyter.com/view/j/acgeo>

being the follow up of our EGU2016 session:

**Impacts of climate and land use change on hydrological processes**

I would be grateful if you could let me know if you are interested to contribute a paper for this Topical Issue - (invited only).

Important Dates:

- opening of submission : August 1st, 2016
- deadline of submission: December 15th, 2016
- decision of reviewers: February 15th, 2017
- deadline for submission of revised papers: April 15th, 2017
- final decision of acceptance for publication : May 15th, 2017
- publication : third issue 2017

Looking forward to hearing from you,

With best regards

Renata Romanowicz
