

DATABASE  
**DEUTSCH-JÜDISCHE QUELLEN AUS  
PALÄSTINA / ISRAEL**

## THE „JECKES“ (GERMAN JEWS) IN PALESTINE / ISRAEL

- ▶ The unique collection represents the cultural and intellectual realm of the German speaking world in Israel/Palestine
- ▶ Rare texts that document the political development and everyday life of Palestine / Israel
- ▶ Top resource for everybody studying German-Jewish literature, history and culture, but also for students of the history of Zionism and Israel
- ▶ Texts by Schalom Ben-Chorin, David Ben-Gurion, Chajim Nachman Bialik, Max Brod, Constantin Brunner, Sammy Gronemann, Theodor Herzl, Georg Landauer and Else Lasker-Schüler

## COMPREHENSIVE CONTENT

- ▶ The database contains more than 1,500 bibliographic entries:
  - ▶ more than 250 selected sources (pdfs)
  - ▶ 24,000 pages (pdf)
- ▶ Hectographies and privat prints which have been published at very small print runs (e.g. the collections of poetry from Manfred Sturmann and Paul Mühsam published at Peter Freund Verlag in Jerusalem)
- ▶ Rare scripts like the satirical miniature edition *Jerusalem Blackout* by Schalom Ben-Chorin that was threatened by decomposition until now

## COMPREHENSIVE CONTENT

- ▶ Writings about Palestine and Israel in a political context (e.g. the British mandate policy, immigration and economical issues)
- ▶ Union publications and scripts from other political and cultural organizations, e.g. pamphlets of the labor union (MAPAI), the Organization of Immigrants from Germany or the Jewish National Fund
- ▶ Scripts from the literary canon of the “Literarischer Salon” in Tel Aviv (Ernst F. Taussig)
- ▶ So far neglected scripts from the “Verband deutschsprachiger Schriftsteller Israels”

## KEY FEATURES

- ▶ PDF view integrated into entries
- ▶ PDFs available for download
- ▶ Controlled access via predefined subject terms
  - ▶ Auto-completion of search terms in various search fields
  - ▶ Subject terms in drop down menu
  - ▶ Comfortable search refinement by using filter for narrowing down on entries with full text – Checkbox for „Entries with full text only“
- ▶ Documents of the same subject are interlinked
- ▶ Non-restrictive DRM allows for an unlimited number of simultaneous users per campus or institutions

The screenshot displays a book entry on the De Gruyter website. The entry is for "Deutsch-jüdische Quellen aus Palästina / Israel: Bibliographie und ausgewählte Originalwerke (1890–2000)". The interface includes a top navigation bar with options like "Add Note", "Print", "Save to bookshelf", "CiteExport", "Your opinion", "Email", "ShareShare", and "Text size". A left sidebar features a "SEARCH DATABASE" button. The main content area shows the book title, subtitle, and a list of options: "Add note to personal account", "Saving options for database entries", "Send feedback to De Gruyter", and "Change text size for entry or result list". A right sidebar provides access information, including the publisher "DE GRUYTER" and pricing for online versions (purchase and rental options). A bottom navigation bar includes "Overview", "Details", "More ...", and "Comments (1)".

**1 SEARCH****SIMPLE SEARCH**

The screenshot shows the top part of a search results page. At the top left is a book cover for 'Deutsch-jüdische Quellen aus Palästina'. To its right, the title 'Deutsch-jüdische Quellen aus Palästina' is displayed, followed by the editors' names: 'Editor-in-Chief: Kilcher, Andreas' and 'Managing Editor: Edelmann-Ohler, Eva', and the publisher 'DE GRUYTER OLDENBURG'. Below this is a 'DETAILS >' button. A search box is located below the details, containing the text 'Search publications' and a magnifying glass icon. To the right of the search box is a link for 'Advanced Search >'. Below the search box, a snippet of text is visible: 'Palestine, and later Israel, has been of writers, including Else Lasker-Schüler, Germany. The bibliography records app special search function allows works to literature, etc. Chronological searches political or cultural debates during spec'.

**Full text  
search****ADVANCED SEARCH (MORE SEARCH OPTIONS)**

The screenshot shows the same top part of the search results page as the simple search interface. However, the search box is expanded into a dropdown menu. The menu lists several search criteria: 'Name', 'Full Text', 'Title', 'Name' (highlighted in blue), 'Publication Year', 'Publisher', 'Place of publication', and 'Subject'. Below the dropdown menu is an empty search input field. At the bottom of the search box area, there is a checkbox labeled 'Entries with full text' and a link for '[+] Add row'. The text snippet below the search box is identical to the simple search interface: 'Palestine, and later Israel, has been of writers, including Else Lasker-Schüler, Germany. The bibliography records app special search function allows works to literature, etc. Chronological searches political or cultural debates during spec'.
