

# AI-ENHANCED HUMAN LEARNING – THE FUTURE OF ARTIFICIAL INTELLIGENCE IN EDUCATION

## CORRESPONDING EDITOR

---

Dr. Farshad Badie, *Center for Natural and Formal Languages, Aalborg University, Denmark*

## DESCRIPTION

---

*Open Education Studies* invites manuscripts for the Special Issue: **AI-enhanced Human Learning – the future of Artificial Intelligence in Education**

AI-enhanced learning must involve an effective and efficient interplay of education and Artificial Intelligence towards the betterment of learning processes. Correspondingly, AI-enhanced learning systems are AI systems that technically and technologically enhance the quality of learning (and teaching) that are undertaken by students (and teachers) in the modern age.

## SCOPE

---

This special issue seeks research contributions as well as review articles that conceptually, theoretically and technically focus on the applications of Artificial Intelligence in the modern educational and pedagogical systems. The scope of the Special Issue includes, but is not limited to: AI-enhanced teaching and learning; Human-machine interaction analysis in educational/pedagogical contexts; Innovative AI-enhanced learning/teaching systems; Internet of Things (IoT) in AI-enhanced learning systems; AI-based knowledge communities; AI-based technologies/systems for education and e-learning.

## HOW TO SUBMIT

---

Authors are kindly invited to submit their contribution via online submission system Editorial Manager available at [www.editorialmanager.com/openedu/default.aspx](http://www.editorialmanager.com/openedu/default.aspx)

Please remember to select the correct Section: **SI: Artificial Intelligence in Education** to ensure that it will be processed with the highest priority.

Before completing their manuscript, authors should carefully read over the journal's Author Guidelines, which are located at [https://www.degruyter.com/view/supplement/s25447831/Instruction\\_for\\_Authors.pdf](https://www.degruyter.com/view/supplement/s25447831/Instruction_for_Authors.pdf).

In case of any questions please contact the Corresponding Editor at [badie@id.aau.dk](mailto:badie@id.aau.dk) or the Managing Editor of Open Education Studies at [openeducation@degruyter.com](mailto:openeducation@degruyter.com).

## TIMELINE

---

Deadline for article submission: **April 30, 2020** (via journal submission system <http://www.editorialmanager.com/openedu>).

Planned publication: September 2020 (articles will be published upon being accepted on an ongoing basis).
