DESCRIPTION

After four successful editions, *Escola Politécnica of Universidade Federal do Rio de Janeiro* (UFRJ) - Brazil, in partnership with *Universidade da Beira Interior* (UBI) - Portugal, will be holding the **5th International Congress on Repair, Maintenance and Refurbishment of Buildings - CIRMARE 2020**, on April 14, 15 and 16, 2020, at the UFRJ Technology Center.

With the theme “**Rehabilitation and Smart Cities Aiming for Sustainability**”, CIRMARE 2020 aims to contribute to the knowledge and promotion of Rehabilitation practices that boost Smart Cities and Sustainability by providing solutions to meet future demands of contemporary society. Thus, this conference will provide a unique opportunity for information exchange between professionals and researchers working in the area of repair, maintenance and refurbishment of buildings.

More information about the event, such as deadlines and preliminary schedule, can be accessed at <https://www.nppg.org.br/cirmare2020/> or by email cirmare@poli.ufrj.br
