DESCRIPTION

Open Archaeology invites manuscripts for the Special Issue on Archaeological Practice on Shifting Grounds.

HOW TO SUBMIT

The authors are kindly invited to submit their contribution via the online submission system Editorial Manager available at <http://www.editorialmanager.com/opar/>

To submit your article to the Special Issue, please remember to select the correct section: '**Archaeological Practice on Shifting Grounds**' to ensure that the manuscript is processed by the Guest Editors.

It is important that authors include a cover letter with their manuscript with information that the manuscript is dedicated to the Special Issue on Archaeological Practice on Shifting Grounds. The cover letter should explicitly state that the manuscript (or one with substantially the same content, by any of the authors) has not been previously published in any language anywhere and that it is not under simultaneous consideration or in press by another journal.

Before submission the authors should carefully read over the Instructions for Authors, which are located at http://www.degruyter.com/view/supplement/s23006560_Instructions_for_Authors.pdf

All papers will go through the *Open Archaeology* high standards, quick and comprehensive peer-review procedure managed by our esteemed Guest Editors.

We are looking forward to your submission up to **15 November 2020**.

If you have any questions, please contact **Åsa Berggren** at asa.berggren@ark.lu.se or **Katarzyna Michalak** at katarzyna.michalak@degruyter.com.
