RHIZOMATA

A Journal for Ancient Philosophy and Science

Edited by István Bodnár, Klaus Corcilius, Pavel Gregoric, Katerina Ierodiakonou, Heinrich von Staden

Publications in *Rhizomata* cover the full range of ancient philosophy, with special emphasis on the interaction between philosophy and science. Another thematic priority is the influence of ancient philosophy and its interpretation in the later tradition. Supplementing the articles, discussion notes and reviews, the journal also provides bibliographical documentation of important recently published work in the South-East European region.

István Bódnár, Budapest, Hungary; **Klaus Corcilius**, Berkeley, CA, USA; **Pavel Gregoric**, Zagreb, Croatia; **Katerina Ierodiakonou**, Athens, Greece; **Heinrich von Staden**, Princeton, NJ, USA.
