Content

The *IBZ* has been the leading international and interdisciplinary reference work documenting academic periodical literature in the humanities, social sciences, and related fields for over 100 years!

- Lists over 3.5 million journal articles culled from 11,500 different publications
- Publications from 40 countries in more than 40 languages are taken into consideration
- Updated monthly, with over 120,000 new entries added over the course of the year
Content

- Articles are analyzed for subject content based on the “Schlagwortnormdatei” published by the German National Library
- Each entry includes the following information:
  - Title
  - Author
  - Journal (Title, Year of Publication, Year, Number, Page #)
  - Languages of article and available abstracts
  - Subject heading and reference in German and English
  - Subject field of the article and the journal
  - Publisher

Search Help

Search Help IBR Online

Search

To search the database IBR Online enter your search term(s) into the entry fields in the search form on the left hand side of the screen. Three entry fields are available, each of them is preset with a search criterium. You can select a different search criterium from the list available for each entry field. The result of your search is always a bibliographical entry of a book review.

The following search criteria are available:

- Full Text:
  searches through the full text of all entries (book reviews) in the database. With this search criterium you will receive a multitude of hits, because you always search through the full
