Acknowledgements

I would like to thank the Society of Authors for a grant from the Authors’ Foundation, which materially assisted the completion of this book.

I am grateful also to Annie Angrémy for permission to consult the Roussel archive in the Bibliothèque Nationale in Paris, and to the staff of the library’s Manuscript Department for their unfailing helpfulness and courtesy.

I received a great deal of encouragement and many useful suggestions from my editor at Faber, Julian Loose.

I would also like to thank John Ashbery, Kasia Boddy, Steve Clark, Harry Matthews, Neil Rennie, David Trotter and Trevor Winkfield for their support of this project, and their extremely useful comments on individual chapters.
